GRAIN SHOW PUT OFF UNTIL 1933

Postponement of the Great Regina Event for Year Announced by Weir

Regina, Oct. 2.—The World's Grain Exhibition and Conference, which was to have been held in Regina in 1932, has been postponed until 1933.

Announcement to this effect was made Thursday night by Mr. Robert Weir, federal minister of agriculture and chairman of the national committee of the grain show, after he had received notification from the council of the Regina Board of Trade, and the directors of the Regina Agricultural and Industrial Exhibition Association, voting postponement for a year, rather than its cancellation.

Complete Accord

Mr. Weir Thursday night said he was in complete accord with the terms of the resolution and favored the postponement of the World's Grain Exhibition and Conference for one year.

"One of the biggest difficulties in reaching this decision was to determine the effect of postponement, or cancellation, would have on the city of Regina in view of the commitments that the city has already made."

Replying to criticisms regarding his announcement as to the fate of the grain show, Mr. Weir said that at no time had he not a specific date for such announcement.

More than two score countries were expected to exhibit at the Regina world's grain exhibition and conference, plans for which were started two years ago. Exhibits of the various of grain had been promised from many European countries, from Asiatic countries, Australia and New Zealand, the United States and all provinces of the Dominion.

The Prince of Wales was invited by the Dominion government to open the exhibition.

Polar Bears Wander Inland

Ten polar bears were seen recently wandering along the right bank of the Hudson Bay Railway near Churchill, 412 northern travelers report to Canadian Northern Railways' officials at Winnipeg. The animals had evidently gone on a little exploration trip, and had wandered farther inland than usual. Taggeretted that the animals came to be inland from their usual haunts in phenomenon.

Springwater School Fair

The Springwater School Fair held at Sentinel Hill on Saturday, Sept. 19th, was most successful, there being all sold 925 entries. There were 17 sales of pigs, 3 colts, 18 lambs, 25 calves, 29 pairs of chicks, 8 pairs of turkeys, 4 pairs of geese, and 8 pairs of ducks. During the afternoon sports were held for the children. Mrs. R. Sargent sponsored a Maple dance. The schools gave an exhibition of physical drill. Majestic being first, and Springwater second. This was followed by the singing of "The Maple Leaf Forever" and "The Old Swan Song," by the different schools. Legal George School was first, and Springwater second. The fair Association wish to thank Mrs. V. Kennedy, who came and judged the singing. Nine prizes were awarded in each class. The first three are given below:

Isn't it a Fact?

That the greatest force for the good of the public is the newspapers.

They are the leaders in making better business for the home town.

If more merchants would take the trouble to find out the amount of money sent to mail-order houses from the home town, it would give them an awful jolt.

It would make them up to the fact in order to compete with the mail-order houses they should use the same methods as used by the mail-order houses—

ADVERTISING!—The Magnet that Attracts

Mail-order houses appreciate the importance of advertising. That is why they get so much business.

Heavy appropriations for advertising are necessary in their business. They make these appropriations and that is why they get rich at the expense of the local merchants.

If local merchants paid as much attention to local advertising as they should, the mail-order houses wouldn't do much business.

POULTRY

WE SPECIALIZE IN POULTRY SUPPLIES.

As conditions generally are improving, we believe that you will find a much better market for eggs and poultry this winter at a very much better price than has been offered for some time. In order to get the best from your poultry, it is necessary to keep your hen-house clean and sanitary. This you can do by using CREOLIN—no better disinfectant, and we give you a special price on it, buying it in gallon lots. Also your poultry must be kept free from VERMIN. NALCO LOUSE KILLER is the best we have ever been able to get. Try it; you will be satisfied.

Nalco Louse Killer.....35c

Creolin.....60c a pound. Special price by gallon

Meat Scraper.....4.00 a pound for 25c

Cold Liver Oil.....\$2.00 a gallon

Oyster Shell.....\$2.00 per hundred pounds

Roach Tablets.....35c a box
